Booth Reservation Terms and Conditions

By registering for a booth at the Association for Mineral Exploration (AME) Roundup 2023 Conference (the "Trade Show"), you indicate your agreement with the following Terms and Conditions:

1. Payment

All prices are in Canadian dollars (\$CAD) and are subject to 5% GST. Our secure server will process Mastercard and Visa. Charges on your credit card statement will appear as AME.

2. Character of the Trade Show

AME reserves the right to determine the eligibility of any company to participate in any product or service to be provided at the Trade Show. In addition, AME reserves the right to restrict, prohibit, refuse space to, close the booth, or evict any person or company registered for a booth at the Trade Show (each an "Exhibitor") or any product that detracts from the character or professionalism of the Trade Show for any violation of the following Terms and Conditions. You agree to be governed by the decisions and directions of AME relative to the conduct of the Trade Show; such decisions and directions are at AME's sole discretion. All money paid by you is non-refundable except as expressly set out herein. Violations of the Terms and Conditions may result in the loss of your priority with respect to reserving a booth at any subsequent AME trade show or event organized.

3. Corporate Membership Requirement

All exhibiting companies must renew or purchase their 2023 Corporate Membership with AME by October 31, 2022. Corporate Memberships are invoiced separately. If payment for Corporate Membership is not received by **October 31, 2022**, your booth space may be forfeited and reallocated. Membership must be acquired under the name of the exhibiting company. Corporate Memberships are non-refundable and non-transferable. AME will strictly enforce this provision. Information on the AME Corporate Membership program can be found on our website at <https://members.amebc.ca/page/MembershipTypes>

4. Cancellations

Cancellation or refund request made by Exhibitor:

Cancellation requests must be received in writing before 5:00 PM PST on October 31, 2022, to be considered for a refund. Requests received after this deadline will not be refunded. Membership Fees and other add-ons (including ticketed events) are not refundable.

All Exhibitor refunds are subject to a processing fee of 25% of the exhibiting price (excluding GST).

Refund requests may not be processed until after February 13, 2023. Refunds will only be issued to the individual or company who originally purchased the exhibiting booth. All booth cancellations will result in a loss of priority with respect to reserving a booth at the following year's AME Roundup.

Refunds will not be granted due to non-attendance, including medical or health issues.

Groups eligible for complimentary passes will be contacted with registration instructions. Those eligible for a complimentary pass that choose to purchase registration will not be eligible for a refund.

Any attempt to register multiple times with different names or email addresses is solely the attendee's responsibility and will not be eligible for refunds.

Exhibitors are responsible for their own travel, immigration, vaccination, health and safety processes and any applicable restrictions. No refunds will be given at a participant's request based on any jurisdiction's policies or travel restrictions, including those of British Columbia, or a participant's inability to travel to AME Roundup for any reason.

An attendee or Exhibitor does not have an automatic right to a refund, in whole or in part, for any portion of the registration fee in the case of cancellation or reduction of the in-person portion of AME Roundup. AME may cancel or reduce the in-person portion of AME Roundup in its sole discretion, before or during AME Roundup, and may or may not offer attendees or exhibitors cancellation rights or access to any portion of a refund of registration fees. See below for AME's commitment to participants.

Cancellation or Partial Cancellation by AME:

AME decisions will be guided by emergency orders, health orders, and recommendations made by the Canadian, British Columbia, and local governments. Decisions to modify the format and delivery of AME Roundup may be made at any time, and may be changed from time to time. AME will endeavour to inform attendees, Exhibitors, and the public of any changes as quickly as possible.

Exhibitors and attendees may be eligible for a partial registration refund offer in the case of full or partial cancellation of the in-person portion of AME Roundup.

In the case of a full or partial cancellation of the in-person portion of AME Roundup, all programming will transition to online delivery for AME Roundup.

Exhibitors and sponsors should refer to their respective contracts for applicable terms. Unless a contract states otherwise, if AME cancels the in-person portion of AME Roundup, Exhibitors may be transitioned online and may be refunded for the in-person portion of their booth. In addition, Exhibitors may cancel their participation by notice in writing by a specified date, and AME will refund 75% of the Exhibitor's contractual exhibitor fee.

If AME cancels the in-person portion of AME Roundup, attendees or companies that have purchased in-person registrations for AME Roundup, may be refunded the in-person portion of their registration price. A ticketed event that is not cancelled but instead held online will not be refunded and AME Membership fees will not be refunded.

A refund of in-person portions of registration fees may be pro-rated or made available to some attendees or Exhibitors and not others, at the sole discretion of AME and based on the circumstances and timing of the decision to cancel or reduce the in-person portion of AME Roundup.

Exhibitors are responsible for their own travel, immigration, vaccination, and health and safety processes and any applicable restrictions. AME will not reimburse or contribute to a participant's economic or other loss related to travel or cancelled travel for the purpose of AME Roundup.

In all cases, refunds may not be processed until after February 13, 2023.

AME's Commitment to Participants

AME is dedicated to its members in mineral exploration and development. Health and safety is one of AME's core values. Decisions to cancel the in-person portion of AME Roundup will be thoughtfully considered by the Board of Directors and the AME Roundup Organizing Committee, as will decisions on refunds of registration fees paid for in-person portions of AME Roundup.
