About AME

AME is the lead association for the mineral exploration and development industry based in British Columbia. Established in 1912, AME represents, advocates and promotes the interests of over 5,000 members who are engaged in mineral exploration and development in BC and globally.

amebc.ca

AME's annual Roundup conference is the mineral exploration industry's premier opportunity to connect, exchange ideas and inspire new exploration projects: Projects that are critical to a strong economic recovery, supplying materials for a climate-smart future, and sustaining vibrant regional communities for generations to come.

Sponsor Opportunities

Supporting AME initiatives and events is an excellent opportunity to sustain the vital work we do and raise your company's profile.

In this package, you will find a wide range of opportunities to promote your company and support AME, including event sponsorship, networking, educational campaigns, workshops and webinars, digital marketing, public awareness programs, and more.

We are dedicated to creating value for our sponsors, helping showcase your involvement in the sector while working together to promote a healthy and thriving industry.

We look forward to working with you.
