Message

Long Form:

This January, AME Roundup 2025 is the place to be for anyone in the mineral exploration industry!

Join us in Vancouver to explore how we are ‘Securing Our Future’ through critical minerals that drive the green energy transition, regulatory efficiency that attracts investment, and economic reconciliation that builds stronger partnerships with Indigenous communities.

From cutting-edge technological innovations transforming the industry to developing a diverse and skilled workforce, this is your chance to connect with leaders shaping the future of mining.

For more information, visit roundup.amebc.ca.

Short Form:

Join AME Roundup 2025 in January to explore how we’re ‘Securing Our Future’ in mineral exploration! Discover the latest technological innovations, regulatory efficiency & Indigenous engagement – register now: roundup.amebc.ca.
