We make
mining work

AME is the lead association for the mineral exploration and development industry based in British Columbia. Established in 1912, AME represents, advocates and promotes the interests of almost 5,000 members who are engaged in mineral exploration and development in BC and globally. AME encourages a safe, economically strong and environmentally responsible industry by providing clear initiatives, policies, events and tools to support its membership in delivering responsible projects that advance reconciliation and provide benefit to all British Columbians.

Roundup 2021 is hosted from the unceded territories of the Coast Salish people, including the lands belonging to the xʷməθkʷəy̓əm (Musqueam), Skwxwú7mesh (Squamish) and sə́lilwətaʔt /Selilwitulh (Tsleil-Waututh) Nations.

The Teck logo is displayed in a large, white, sans-serif font. It is positioned on a dark blue background that occupies the right half of the image. The background also features a photograph of a mountain range at sunset or sunrise, with the sky showing soft orange and yellow hues and scattered clouds. The mountains are dark and silhouetted against the lighter sky.

Schedule at a Glance

MONDAY, JAN 18		
8:30 AM – 10:00 AM	Opening Ceremony & Keynote	33
10:10 AM – 11:30 AM	Regional Overviews: BC / Yukon / Alaska	33
12:00 PM – 1:30 PM	Government-Industry Forum	34
12:00 PM – 4:00 PM	Speaker Spotlight: Yukon Night	31
1:30 PM – 3:00 PM	New Geoscience	34
3:00 PM - 5:00 PM	Poster Session Student Networking	35
4:00 PM - 5:30 PM	Beer Tasting with Stanley Park Brewing	35
TUESDAY, JAN 19		
9:00 AM – 10:30 AM	Theme Session: Leading Through Change	37
9:00 AM – 12:00 PM	Speaker Spotlight: Invest NWT	31
11:30 AM - 12:00 PM	Association for Mineral Exploration AGM	38
1:30 PM – 3:00 PM	Commodities and Financial Markets	37
3:30 PM - 5:30 PM	Student Industry Networking Event (SINE)	38

Schedule at a Glance

WEDNESDAY, JAN 20		
9:00 AM – 10:30 AM	Precious Metals	40
9:30 AM – 11:00 AM	Speaker Spotlight: Canadian Minerals & Metals Plan	31
12:00 PM – 1:00 PM	Finance Keynote	40
1:30 PM – 3:00 PM	The Gathering Place	41
3:00 PM – 5:00 PM	Poster Session General Networking	42
THURSDAY, JAN 21		
9:00 AM – 10:30 AM	BC/Yukon/Alaska	44
12:00 PM – 1:30 PM	Speaker Spotlight: BCRMA Open House & Reception	31
1:30 PM – 3:00 PM	Environmental, Social and Governance (ESG)	44
4:00 PM - 7:00 PM	Roundup Chairty Poker Tournament	45
FRIDAY, JAN 22		
9:00 AM – 10:30 AM	Base Metals	47
11:45 AM– 1:00 PM	AME Keynote	47
1:00 PM – 1:15 PM	TSX Market Close	49
1:30 PM – 3:00 PM	Additions to the Geoscience Toolbox	48

Schedule at a Glance

Short Courses

SATURDAY, JAN 16	9:00 AM – 1:00 PM	SC4 Student Short Course and Orientation - Integration Into Exploration	10
MONDAY, JAN 25	8:00 AM – 5:00 PM	SC7 Spectral Geology: Fundamentals, Recent Advances and Case Histories	10
TUESDAY, JAN 26 – WEDNESDAY, JAN 27	9:00 AM – 1:00 PM	SC3 Deciphering Volcanic Rocks and their Environments with Applications for Mineral Exploration	10
THURSDAY, JAN 28	8:30 AM – 4:00 PM	SC2 Cross Country Check Up - Mining Disclosure Under NI 43-101 and Meeting the Requirements	10
FRIDAY, JAN 29	8:30 AM – 12:30 PM	SC6 Project Management Toolbox for Exploration Programs	11
MONDAY, FEB 1 – WEDNESDAY, FEB 3	9:00 AM – 1:00 PM	SC1 Mineral Exploration and Mining Essentials	11
THURSDAY, FEB 4 – MONDAY, FEB 8	9:00 AM – 12:30 PM	SC5 MDRU - Alteration Footprints and New Exploration Approaches for Carlin-Type Gold Deposits	11

SATURDAY, JAN 16 - MONDAY, FEB 8

Short Courses

AME's short course programs provide delegates with opportunities to go beyond the technical and best practice sessions for practical expertise for daily on-the-job use. Each course description outlines the course content and cost.

Health & Wellness Lounge

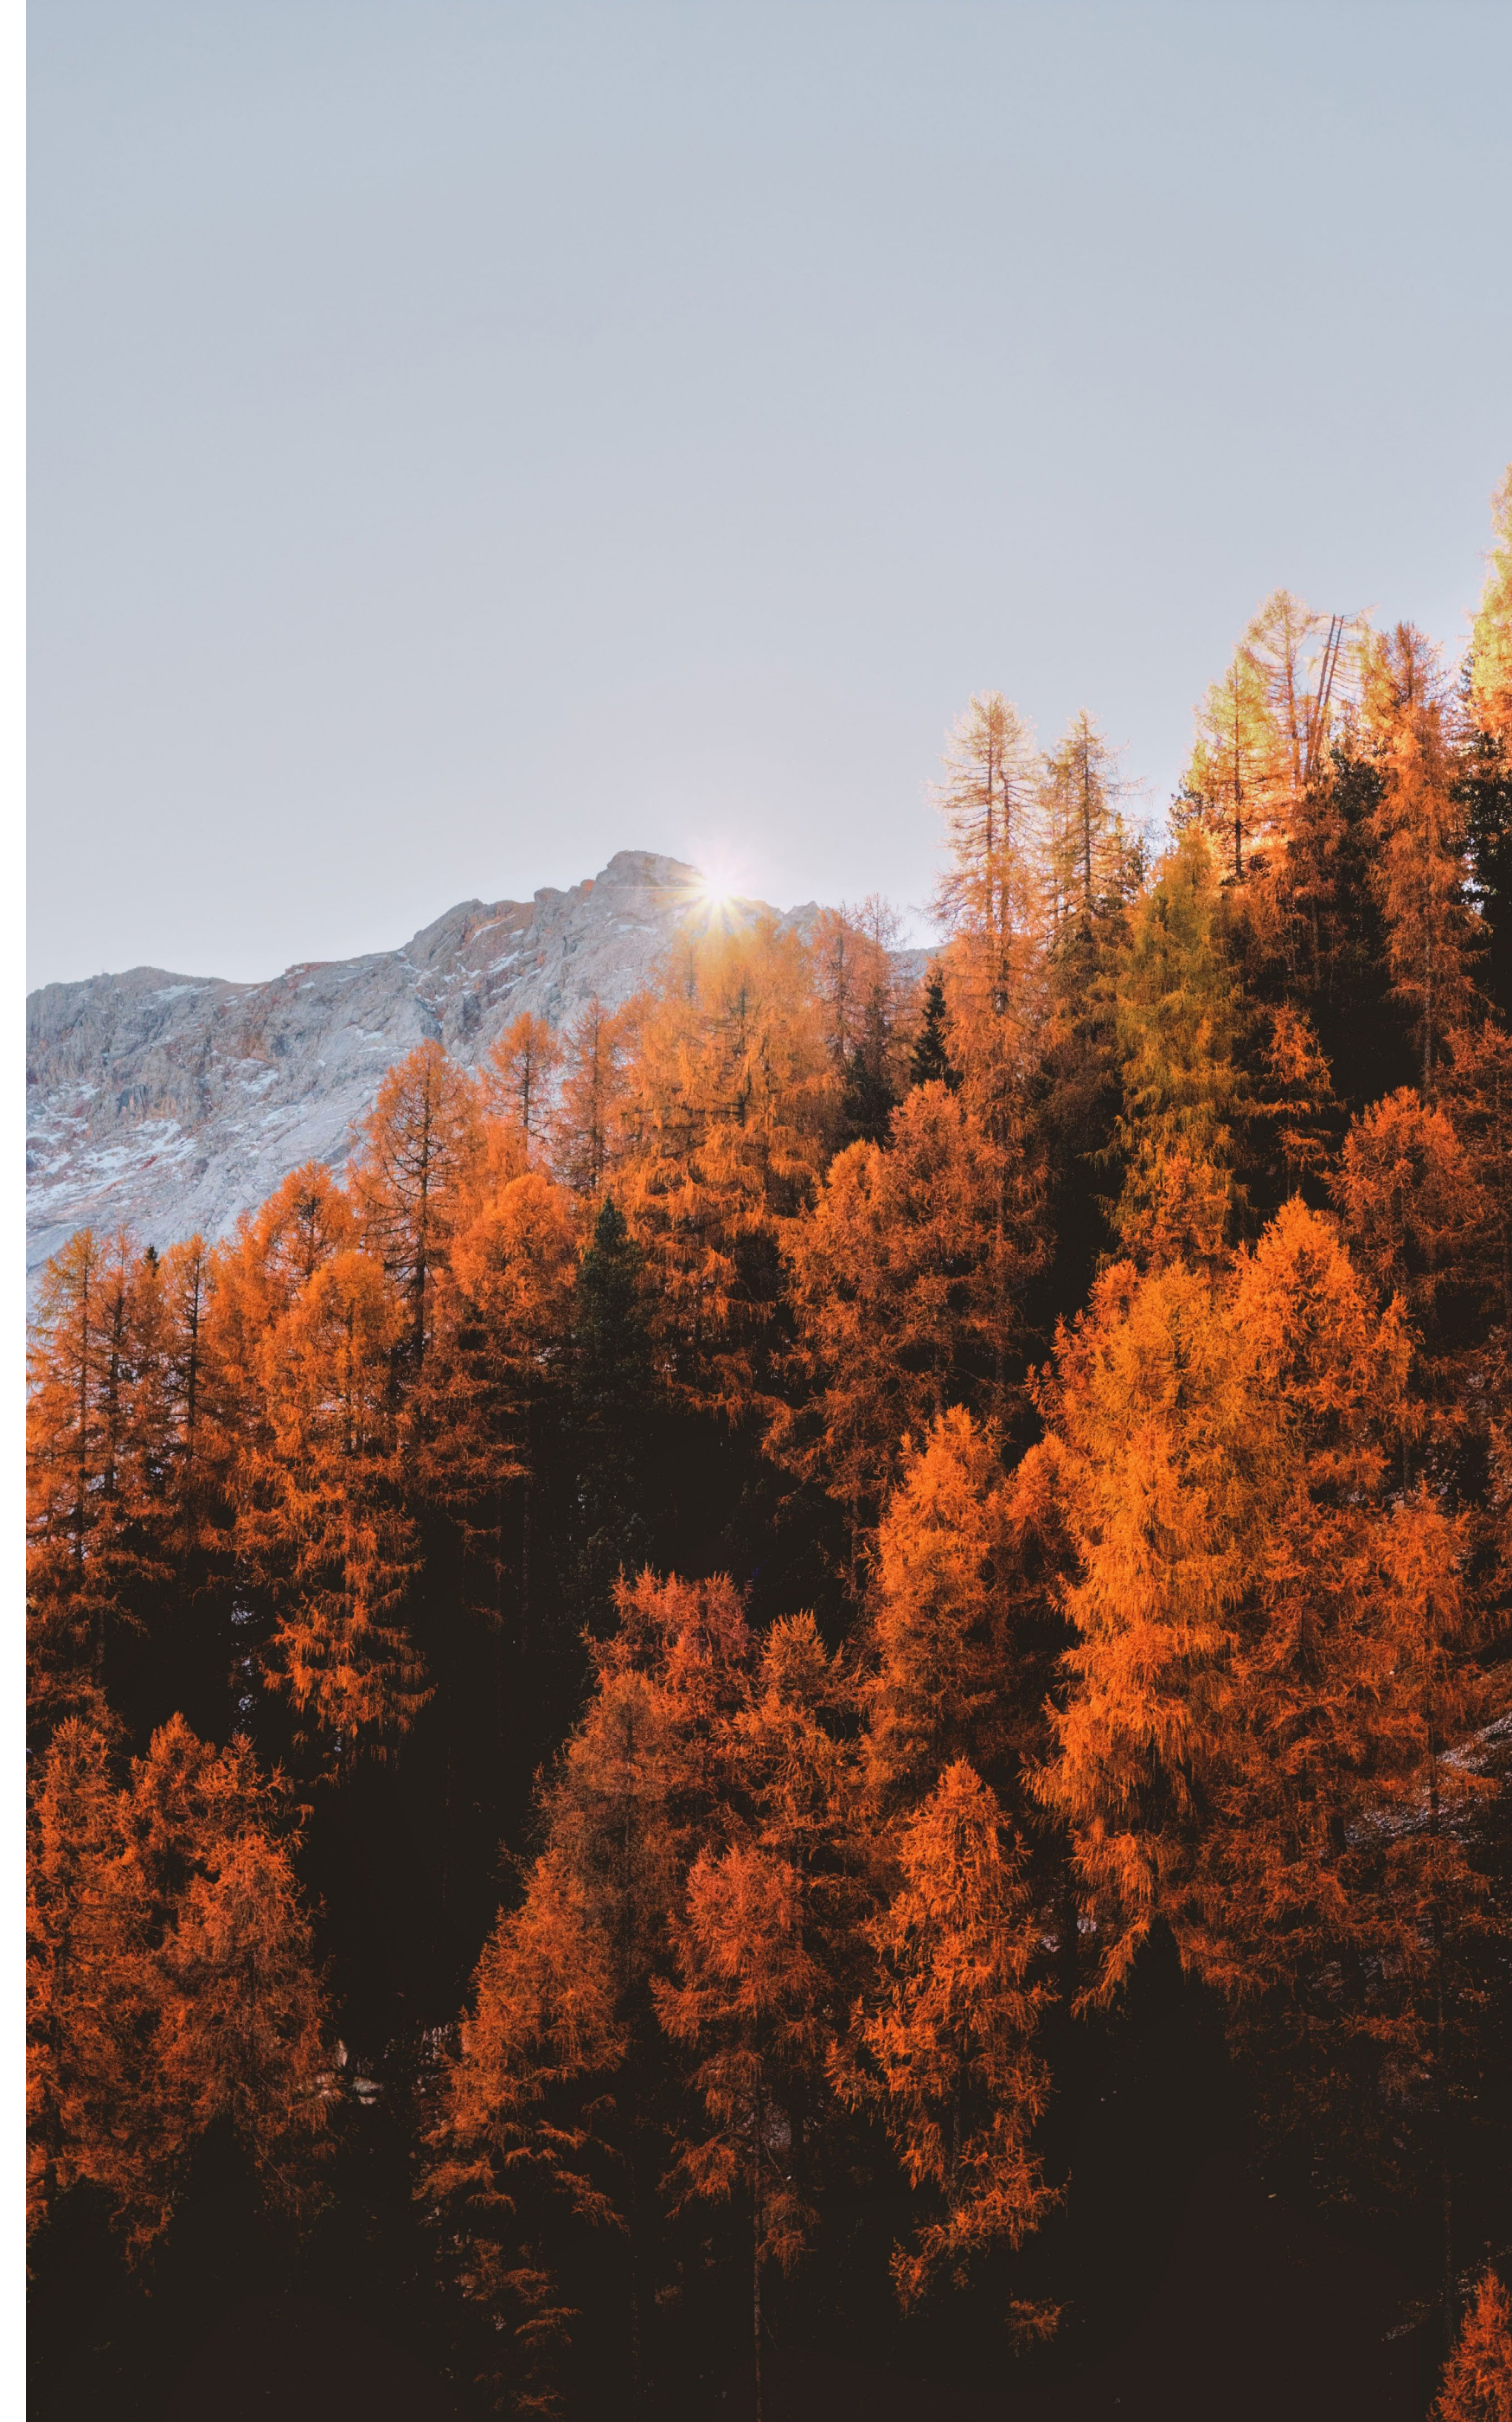

Monday - Friday (9:00 AM - 4:00 PM)

In partnership with Teck Resources Limited, we are pleased to host the virtual Health & Wellness Lounge. Studies have found that breaks can help reduce stress, improve focus, increase productivity, enhance creativity and aid with recovery at the end of the day.

Take a health break and visit the lounge to access physical and mental health information, activities and community resources. Participate by completing our daily challenges and engage with other attendees by posting your results on #RemoteRoundup.

Beer Tasting with Stanley Park Brewing

Monday, Jan 18, 2021 (4:00 PM - 5:30 PM)

Join us for a private virtual happy hour and enjoy a flight of Stanley Park Brewing beer hosted by Vancouver Territory Manager, David Lauder. David will discuss the four tasty beers, with tasting notes and go over the story behind them and whatever random things that come up.

Pick up the Stanley Park Brewing Winter Concession Stand Mix Pack at your local liquor store or head over to Legacy Liquor Store to receive an exclusive gift with every Concession Stand Mix Pack purchase.

Concession Stand Mix includes:

- Layer Up Winter Wheat Ale (Seasonal)
- Trail Hopper IPA
- Electro Lager
- Waypoint Hazy Pale Ale (New)

Student Industry Networking Event (SINE)

Tuesday, Jan 19, 2021 (3:30 PM - 5:30 PM)

Join Remote Roundup's Student Industry Networking Event to network and discuss career options within the mineral exploration sector. This learning opportunity is important to students in preparing for future jobs in industry, business, service organizations, and/or administration. Join company led breakout rooms and meet potential mentors, receive employment strategies and professional tips to ease the transition from student to workforce.

Roundup Charity Poker Tournament

Thursday, Jan 21, 2021 (4:00 PM – 4:15 PM Welcome Party / 4:15 PM – 7:00 PM Poker Tournament)

Know when to hold 'em? Know when to fold 'em? Test your bluffing skills at the Roundup Charity Poker Tournament, in support of the Ronald McDonald House BC & Yukon (RMH BC). This event will bring the mineral exploration community together for a little socializing, networking, and friendly competition.

We know in the old days, geologists used to go all in – including their mineral claims. For this game, we recommend sticking with the suggested donation of \$25 (tax receipts available). 100% of donations are going to support the Ronald McDonald House BC & Yukon. All donations and participants welcome!

Project Generators Hub

Date
Monday, Jan 18 –
Friday, Jan 22

Location
Virtual Exhibit Hall

Time
9:00 AM – 4:00 PM

Ideal Visiting Times
10:30 AM – 12:00 PM and
2:30 PM – 4:00 PM

The Project Generators Hub will feature 12 companies that specialize in generating exploration ideas and turning these ideas into active projects. These ‘Project Generators,’ as they are known, typically maintain a portfolio of projects that can be advanced by creating joint-venture partnerships with other companies. The project generator business model mitigates risk by exposing shareholders to the potential of multiple mineral discoveries, while conserving capital and managing equity dilution. The Hub will allow each company to virtually exhibit maps, rocks and summaries from properties they would like to option/joint venture. There will also be a portal within the virtual booth to host meetings with prospective parties seeking more information.

Location

Virtual Exhibit Hall

Time

9:00 AM – 4:00 PM

Ideal Visiting Times

10:30 AM – 12:00 PM and
2:30 PM – 4:00 PM

MineralsEd is dedicated to encouraging and supporting teachers teaching and students learning about Earth science, mineral resources and mining in school. They provide workshops, teaching material, field trips, guests speakers, industry conference programs and other events to help build a well-informed society that better understands our modern mineral industry and all it provides. Visit the MineralsEd booth in the exhibit hall to learn more.

Elementary Roundup Rockhounds and Secondary School students will be provided with a booklet sent to their school for them to do self-guided exploration of the virtual exhibit hall. These booklets will guide them to visit a large variety of mineral industry professionals throughout the virtual exhibit hall and interact with booth staff asking questions from the book.

Elementary Rockhounds will be displaying their artwork at the MineralsEd booth. This artwork was done as part of the Mining unit each class studied leading up to Roundup. Be sure to visit the MineralsEd virtual booth space to see the artwork on display.

Student Networking: Monday, Jan 18

3:00 PM – 5:00 PM / General Networking:
Wednesday, Jan 20 3:00 PM – 5:00 PM

The Poster Session is Canada's premier venue for dissemination and examination of applied mineral deposit and exploration geoscience research. Hosting presenters from leading government, academic and industry research organizations, the Poster Session facilitates the sharing of pioneering work on the genesis and distribution of mineral resources throughout Canada, and beyond.

The Poster Session also enjoys participation from graduate students working at universities across Canada and around the world, and AME is proud to promote the excellent work being done by the mineral deposit community. In addition to presenting cutting-edge research, student contributors will be competing for the most innovative, interesting and accessible economic geoscience presentation of the year.

Opening Ceremony & Keynote

8:30 AM - 10:00 AM / Virtual Theatre

Join us for the Opening Ceremony as we kick off the debut of AME Remote Roundup and set the stage for the great talks, programs and keynotes we have in store. Leaders from our association, the industry, and dignitaries from government and indigenous communities will come to welcome attendees from all over the world to connect, learn and inspire.

Featuring:

Chief Ian Campbell | Hereditary Chief | Squamish Nation
Don Lindsay | President & CEO | Teck Resources Limited
Hon. John Horgan | Premier of BC and MLA, Langford-Juan de Fuca
Robert Friedland | Founder, Executive Co-Chairman | Ivanhoe Mines Limited

For a full list of speakers, please visit roundup.amebc.ca

Regional Overviews: BC / Yukon / Alaska

10:10 AM - 11:30 AM / Virtual Theatre

Session Chair: Jonathan Buchanan, AME

This signature session will provide an update on mineral exploration and mining activities in British Columbia, Yukon, and Alaska in 2020 against the backdrop of the COVID-19 pandemic. This session provides prospectors, exploration geologists, engineers, miners, financial analysts, investment organizations and senior industry leaders with highlights of the latest geoscience information as well as updates from the industry. Please join us as we celebrate the resilience of the industry in the past year and gear up for the discoveries ahead.

10:10 AM – Opening Remarks

10:15 AM – Mineral Exploration and Mining in British Columbia, 2020

Gordon Clarke | Director, Mineral Development Office | BC Geological Survey

10:40 AM – Yukon Geology, Exploration and Mining Overview, 2020

Scott Casselman | Head, Minerals Geology | Yukon Geological Survey

11:05 AM – Alaska’s Mineral Industry Activity in 2020

Melanie Weldon | Chief, Mineral Resources Section; Geological Scientist | Alaska Division of Geological & Geophysical Surveys

MONDAY, JAN 18

Sessions

Government-Industry Forum

12:00 PM - 1:30 PM / Virtual Theatre

Session Chairs: Kendra Johnston, AME;
Jonathan Buchanan, AME

Mineral exploration and development are globally competitive. While AME's 11th annual Government-Industry Forum continues to shine a spotlight on BC and Canada, it also moves beyond Canada's borders. See how both industry and government leaders in key jurisdictions view mineral exploration and create the lifeline for the mining industry's future.

12:00 PM – Opening remarks

12:25 PM – Panel on Competitiveness
Fazil Mihlar | Deputy Minister, Ministry of Energy, Mines and Low Carbon Innovation | Government of British Columbia

Rohan Cobcroft | Director, Geological Survey of South Australia | Department for Energy and Mining, South Australia

Mark Adams | GM Red Chris/VP Canadian Operations | Newcrest Red Chris Mining Limited

New Geoscience

1:30 PM - 3:00 PM / Virtual Theatre

Session Chairs: Nathan Cleven, Geological Survey of Canada; Rebecca Hunter, BC Geological Survey; Neil Wildgust, BC Geological Survey

The New Geoscience Session showcases the results of frontline geoscience initiatives bringing forward new ideas on the regional geology of the Cordillera and their bearing on mineralization. Topics will range from regional syntheses of important metallotects to focused studies highlighting new investigative approaches.

1:30 PM – Opening Remarks

1:35 PM – Characteristics, Temporal Variations and Significance of Paleozoic Magmatism for the Tectonic Evolution of the Northern Cordillera

Alex Zagorevski | Research Scientist | Geological Survey of Canada

1:50 PM – Why is The Golden Triangle so Metal Rich? A New Model

Bram van Straaten | Senior Minerals Geologist | BC Geological Survey

2:05 PM – Some Recent Advances in Yukon Geology - A 2020 Perspective

Maurice Colpron | Head, Bedrock Geology | Yukon Geological Survey

2:20 PM – Northern Hogem Batholith Deconstructed

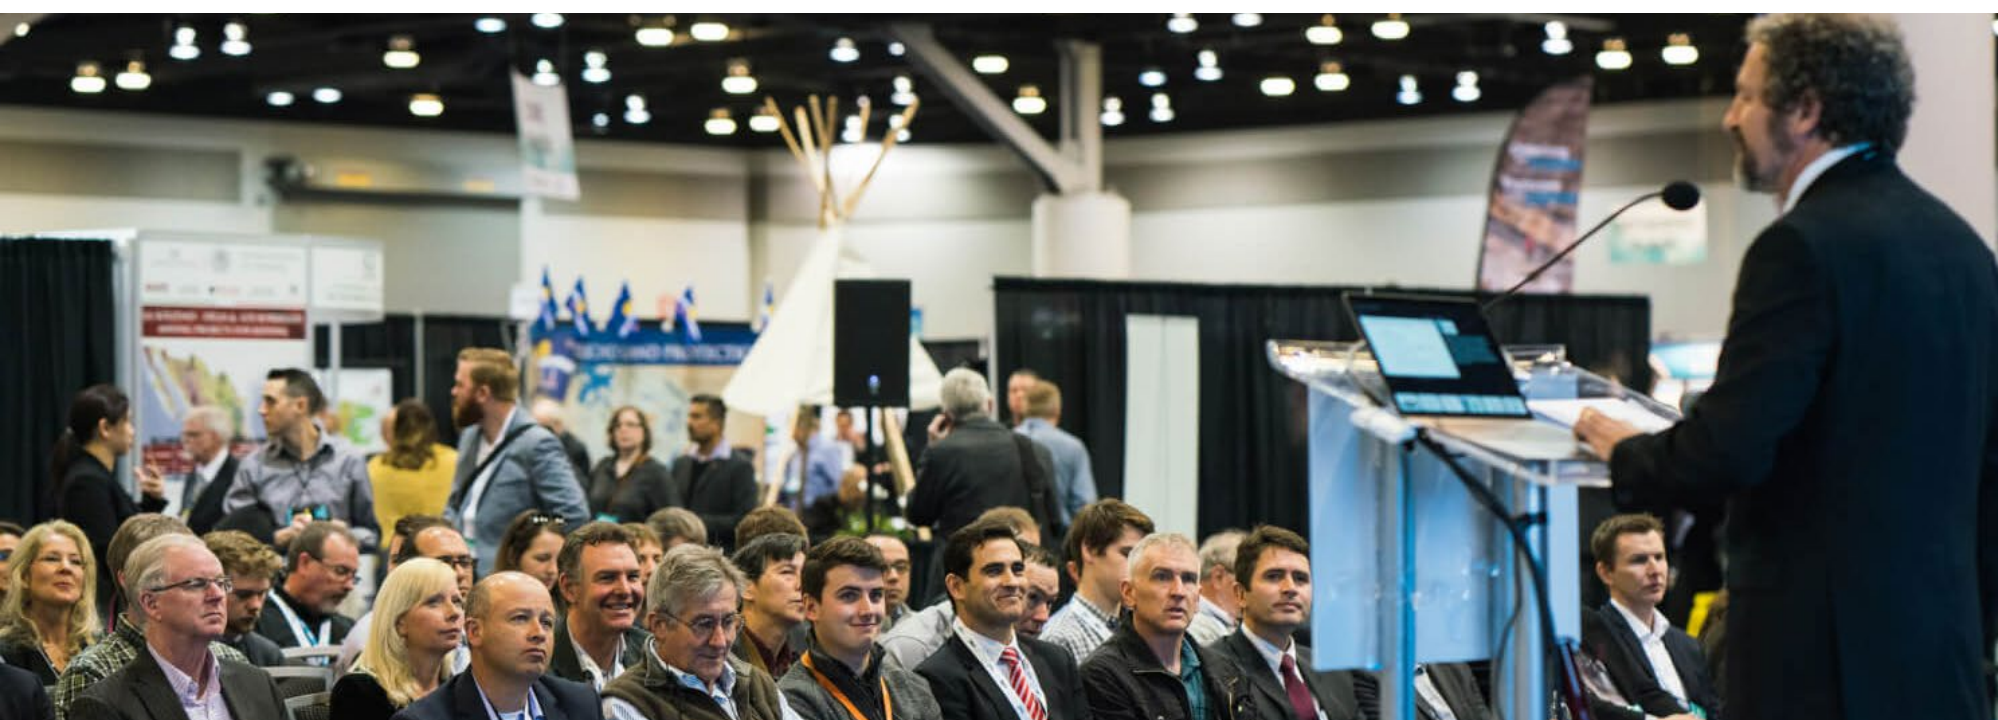

Luke Ootes | Senior Minerals Geologist | BC Geological Survey

2:35 PM – Petrological Controls on PGE Mineralization in Alaskan-Type Intrusions

Dejan Milidragovic | Research Geoscientist | Geological Survey of Canada

2:50 PM – Q&A and Closing Remarks

MONDAY, JAN 18

Events

Poster Session Student Networking

3:00 PM - 5:00 PM / Poster Session

Visit the Poster Session to network with students who will be available to discuss their projects and results.

Beer Tasting with Stanley Park Brewing

4:00 PM - 5:30 PM / Networking Events Lounge

Join us for a private virtual happy hour and enjoy a flight of Stanley Park Brewing beer hosted by Vancouver Territory Manager, David Lauder. David will discuss the four tasty beers, with tasting notes and go over the story behind them and whatever random things that come up.

Pick up the Stanley Park Brewing Winter Concession Stand Mix Pack at your local liquor store or head over to Legacy Liquor Store to receive an exclusive gift with every Concession Stand Mix Pack purchase.

Concession Stand Mix includes:

- Layer Up Winter Wheat Ale (Seasonal)
- Trail Hopper IPA
- Electro Lager
- Waypoint Hazy Pale Ale (New)

Tuesday

Sessions

- [Theme Session: Leading Through Change](#)
- [Commodities and Financial Markets](#)

Events

- [Association for Mineral Exploration AGM](#)
- [Student Industry Networking Event](#)

TUESDAY, JAN 19

Sessions

Theme Session: Leading Through Change

9:00 AM - 10:30 AM / Virtual Theatre

Session Chairs: Craig Hart, Mineral Research Deposit Unit; Michael Tucker, KORE Mining Ltd.

The mineral exploration landscape continuously changes but some curves are tighter than others. Change is at the forefront now as explorers pivot to advance projects in a COVID-19 influenced environment, but strategic changes are also required to accommodate factors such as shifting commodity foci to battery and critical metals, the use and application of real time, down-hole and big data exploration technologies, changing societal expectations influencing ethical metals and NIMBYism, and more. This session on “Leading through Change” will explore several themes that are impacting our industry today.

9:00 AM – Opening Remarks

9:05 AM – Local Metals and Canada’s Role in a Green Economy

Stephen J. Piercey | Professor | Memorial University of Newfoundland

9:25 AM – Evaluating the EV Demand for New Nickel Supply: Can Canada Fill the Void?

Michael Tucker | Vice President, Exploration | KORE Mining Ltd.

9:45 AM – A Case for Change: The Value of the Right Information at the Right Time from Exploration to Production

Dave Lawie | Chief Technologist | IMDEX

10:05 AM – Safely Implementing Large Scale Exploration and Development Programs During a Global Pandemic – A Case Study

Paul Geddes | Vice President, Exploration & Resource Development | Skeena Resources Limited

10:25 AM – Q&A and Closing Remarks

Commodities and Financial Markets

1:30 PM - 3:00 PM / Virtual Theatre

Session Chair: Danielle Mountjoy, Sun Valley Gold

This year’s session brings together a roster of industry experts including corporate consultants, equity research analysts, and commodity strategists to share their expertise on a wide range of financial and commodity-related matters. Presentation themes will include capital raising and business risks in today’s markets as well as commodity-specific discussions on the outlook a variety of metals and mineral commodities. With a line-up of high-profile speakers, this session promises to be relevant, to-the-point, thought-provoking and a highlight of Roundup for all attendees.

1:30 PM - Opening Remarks

1:33 PM – Access to Capital – Implications of the Trends in ESG Investing

Francis Sullivan | Deputy Chair | ResponsibleSteel

1:50 PM – Investment Case for Gold and Gold Equities

Imaru Casanova | Deputy Portfolio Manager / Senior Gold Analyst | VanEck

2:07 PM – Reflation Trade Supports Cyclical Bull Market for Commodities: A Quantitative / Technical Review

Mark Deriet | Quantitative & Technical Analyst | Cormark Securities Inc.

2:24 PM – Battery, Magnet, and Photovoltaic Materials: Mineral Resources, and Markets: Implications for Current and Future

Opportunities for Exploration and Development
George Simandl | Critical Metal and Industrial Mineral Specialist | BC Geological Survey

2:41 PM – The Making of a Million Ounce Gold Producer

Greg Smith | President | Equinox Gold Corp

2:58 PM – Q&A and Closing Remarks

TUESDAY, JAN 19

Events

Association for Mineral Exploration AGM

11:30 AM - 12:00 PM / Zoom (Open to All Members)

The 109th Annual General Meeting of the Association for Mineral Exploration will be held on Tuesday, January 19. The AGM gives AME an opportunity to update members on the 2020/2021 Annual Workplan and achievements of the Association. The meeting also enables members to participate

in the governance and leadership of the organization. All members of AME will receive a notice of the time and location. We welcome and look forward to your participation as a member of AME.

Student Industry Networking Event (SINE)

3:30 PM – 5:30 PM / Networking Events Lounge

Join Remote Roundup’s Student Industry Networking Event to network and discuss career options within the mineral exploration sector. This learning opportunity is important to students in preparing for future jobs in

industry, business, service organizations, and/or administration. Join company led breakout rooms and meet potential mentors, receive employment strategies and professional tips to ease the transition from student to workforce.

WEDNESDAY, JAN 20

Sessions

Precious Metals

9:00 AM - 10:30 AM / Virtual Theatre

Session Chairs: Robert Chong, P. Geo., M.Sc, Wheaton Precious Metals Corp.; Sheila Ulansky, SRK Consulting (Canada)

Rising precious metals demand in 2020 has seen unprecedented growth in gold and silver. Mining and mineral exploration companies have been able to unexpectedly raise substantial funds for their exploration needs. Technical expertise and effective project management in this new commodity ‘sweet spot’ has the potential for significant value-added discoveries and expansion of existing resources. The Precious Metals Session will aim to showcase selected projects located within Canada, the USA and the world. The session will provide insights on a range of precious metal-rich mineral deposits in green and brown-field environments. Focus will be on their discovery stories, exploration approach, results to date, and future plans while keeping an eye on discovery.

9:00 AM – Opening Remarks

9:05 AM – Regnault Discovery: A New High-Grade Gold System in the Frotet-Evans Greenstone Belt

Francis MacDonald | Executive Vice President, Exploration and Co-Founder | Kenorland Minerals Ltd.

9:25 AM – LP Fault Zone: A New Gold Discovery, Red Lake District

Bob Singh | Vice President Exploration, Director | Great Bear Resources Ltd.

9:45 AM – Discovering Fetekro’s Potential to be Endeavour’s Next Mine

Silvia Bottero | Vice President, Exploration | Endeavour Mining

10:05 AM – DeLamar Project, Idaho: Re-awakening a Giant - An Update

Max Baker | Vice President, Exploration | Integra Resources Corp.

10:25 AM – Q&A and Closing Remarks

Finance Keynote

12:00 PM - 1:00 PM / Virtual Theatre

Featuring: David Elliott | Vice President and Director | Haywood Securities

The AME Finance Keynote is a staple of Mineral Exploration Roundup that highlights the financial side of the mineral exploration industry.

Exploration, development and mining are capital-intensive. Exploration companies are not revenue generating and must rely on external funding to finance exploration activities. Producing companies will likely require additional funds during their evolution, whether to finance initial

construction, expand operations, or acquire new assets. Companies have many options to finance ranging from conventional debt, issuing equity, and alternative sources such as royalties and streaming. As mining capital markets evolve so do the available financing structures – all have benefits and pitfalls.

WEDNESDAY, JAN 20

Sessions

The Gathering Place

1:30 PM - 3:00 PM / Virtual Theatre

Session Chairs: Lana Eagle, Lana Eagle Consulting; Robin Sydneysmith, Hatfield Consultants LLP

1:30 PM – Opening Remarks

Featuring:
Amanda Nahanee | Traditionelle | Squamish and Nisga’a Nations
Amber Johnston-Billings | Vice President, Communities, Government Affairs and HSEC Systems | Teck Resources Limited
Honourable Murray Rankin | Minister of Indigenous Relations and Reconciliation and MLA, Oak Bay-Gordon Head

1:40 PM – The Growing Indigenous Economy

Moderator:
Jen Campbell | President | Two Worlds Consulting

Panelists:
Peter Vanriel | General Manager | Canada North Environmental Services
Ty Roberts | Biologist | Canada North Environmental Services
Aaron Higgs | General Manager | Nupqu Development Corporation

2:10 PM – Relationships: Building and Maintaining Through Change

Moderator:
Lana Eagle | Senior Advisor & Consultant | Lana Eagle Consulting

Panelists:
Charles Morven | Secretary Treasurer | Nisga’a Lisims Government
Rob Van Egmond | Chief Geologist | Dolly Varden Silver Corp
Matthew Pickard | Vice-President, Environment & Sustainability | Sabina Gold & Silver Corp.
John Kaiyogana | Community Liaison Officer | Sabina Gold & Silver Corp.

2:50 PM – Graphic Illustrator Presentation

Yolanda Liman | Graphic Illustrator | Drawing Change

Graphic Illustrator Sponsor

Sessions

BC/Yukon/Alaska

9:00 AM - 10:30 AM / Virtual Theatre

Session Chairs: Thomas Branson, Equity;
Matthew Dumala, Archer, Cathro & Associates
(1981) Limited

This session covers a broad region in western North America with a diverse geologic history. This year's focus will be on a selection of exciting and innovative exploration programs across a range of commodities and deposit types in BC, Yukon, and Alaska.

9:00 AM – Opening Remarks

9:05 AM – AurMac Gold Deposit: Building a Successful Geological Model from a Geochemical Database for Intrusion Related, Stratigraphically Controlled Gold Mineralization in a Mature Precious Metals District, Mayo, Yukon

Tara Christie | President and CEO | Banyan Gold

9:20 AM – Tatogga Project Discovery Story
C.J. (“Charlie”) Greig | Vice President,
Exploration | GT Gold

9:35 AM – Geology of the Lawyers Project: Gold and Silver Within the Toodoggone District of British Columbia

Malcolm Dorsey | Senior Geologist |
Benchmark Metals

9:50 AM – Tibbs Gold Project – Mineralization Styles and the Gneiss Frontier

Eric Buitenhuis | VP Exploration | Tectonic Metals

10:05 AM – N’tsi Tatay - A New Look at Windy Craggy

Bruce W. Downing | Industry Consultant

10:20 AM – Q&A and Closing Remarks

Environmental, Social and Governance (ESG)

1:30 PM - 3:00 PM / Virtual Theatre

Session Chair: Kendra Johnston, AME

British Columbia is a centre of excellence for mineral exploration and mining. Today, Environment, Social and Governance best practices are as important as geology is to finding and developing a deposit. Responsible mineral exploration is the first step to responsible mining and supply chains. Join us for a conversation with leaders in ESG to discuss trends, economic interests and the relevancy of ESG best practices to explorers making today's discoveries.

1:30 PM - Opening Remarks

1:35 PM – Sponsor Remarks
Eldorado Gold

1:40 PM – Why Disclosing ESG Matters
Bonita To | Director, Mining Specialist
Institutional Equity Sales | Scotiabank

1:55 PM – Responsible Mineral Sourcing

Ephigenie Banaynal dela Cruz | Senior
Director, Responsible Sourcing | Microsoft
Corporation

2:10 PM – Investment Decisions: The Importance and Evaluation of ESG Practices

Randy Smallwood | President & CEO |

Roundup Charity Poker Tournament

4:00 PM – 4:15 PM Welcome Party / 4:15 PM – 7:00 PM
Poker Tournament Networking Events Lounge

Know when to hold ‘em? Know when to fold ‘em? Test your bluffing skills at the Roundup Charity Poker Tournament, in support of the Ronald McDonald House BC & Yukon (RMH BC). This event will bring the mineral exploration community together for a little socializing, networking, and friendly competition.

We know in the old days, geologists used to go all in – including their mineral claims. For this game, we recommend sticking with the suggested donation of \$25 (tax receipts available). 100% of donations are going to support the Ronald McDonald House BC & Yukon. All donations and participants welcome!

About RMH BC

RMH BC provides a home away from home for families who must travel for their child’s major medical treatment —providing accommodation, comfort, compassion, and a sense of community to these families in need.

RMH BC depends on community support to serve 2,000 families each year.

FRIDAY, JAN 22

Sessions

Base Metals

9:00 AM - 10:30 AM / Virtual Theatre

Session Chairs: Tony Scott, Macquarie Metals and Energy Capital (Canada) Ltd.; Ross Gordon, Teck Resources Limited

Despite the economic headwinds of the pandemic, Base Metals markets have continued to see growing interest in long-term supply of copper, nickel and zinc. This trend is underpinned by both short-term supply shocks and dwindling reserves to meet emerging demand-side pressure arising from government backed stimulus programs along with accelerating demand for electric vehicles and energy storage. In this session we aim to present new Base Metal exploration projects, providing valuable insights to their geological setting and discovery story.

GTGOLD

9:00 AM – Opening Remarks

9:05 AM – Discovery of the Crawford Nickel-Cobalt Sulphide Project, Timmins, Ontario
Mark Selby | Chairman & CEO | Canada Nickel

9:35 AM - IsoEnergy's Hurricane Zone – A New High-Grade Uranium Discovery in the Athabasca Basin, Saskatchewan
Andrew Carmichael | Senior Geologist, Exploration | IsoEnergy Ltd.
Steve Blower | Vice President, Exploration | IsoEnergy Ltd.

10:05 AM – Discovery of the World-Class Onto High Sulfidation Porphyry Copper-Gold Deposit, Sumbawa Island, Indonesia
Fabio Masotti | Executive Manager Exploration | Vale

AME Keynote

11:45 AM - 1:00 PM / Virtual Theatre

Featuring:

- Shastri Ramnath | President & CEO | Exiro Minerals Corp
- Andy Randell | CEO and Principal Geoscientist | SDGS Hive
- Linda Murphy | Senior Manager Community Relations | Yamana Gold Inc.
- John Antwi | President and Director | Elim Mining

Black Lives Matter. Be Kind, Be Calm, Be Safe. I Stand with Wet'suwet'en. Adopt & Implement.

2020 may be the year of the global COVID-19 pandemic, but it was also a year of important conversation, deep reflection and action.

While kindness and fairness should be reasonable expectations in our society, recent global protests and calls for justice remind us that this is not always the case – including in our own industry. This session will explore whether race, gender, sexual orientation, and disability have the representation deserved in mineral exploration. A diverse group of panelists representing Female, Black, Indigenous, People of Colour and LGBTQIA2S+ perspectives will share some of their personal stories and discuss the impact of prejudice on their careers. We will examine where we are now as an industry, what we can do better, and what requires reflection and listening. And we will explore why having a diverse and inclusive team is not only the right thing to do, but good business.

Newmont™

FRIDAY, JAN 22

Sessions

Additions to the Geoscience Toolbox

1:30 PM - 3:00 PM / Virtual Theatre

Session Chairs: Rebecca Hunter, BC Geological Survey; Neil Wildgust, BC Geological Survey; Carolyn Relf, Yukon Geological Survey

This session will highlight innovations in public geoscience. Assembling new tools for your 'Exploration Toolbox', presenters will share results from recent innovative geoscience projects across Canada and deliver talks featuring new methodologies that support the mineral exploration and mining industries. Speakers represent national, provincial, and territorial geological surveys, universities, and Canadian research agencies.

1:30 PM – Opening Remarks

1:35 PM – Use of Machine Learning to Quantify the Opportunity Cost of Land Withdrawal Alternatives

Warwick Bullen | Mineral Assessment Geologist | Yukon Geological Survey

1:50 PM – Atmospheric Mercury Vapour Haloes Uncover Ore Deposits and Fault Structures

Alexei Rukhlov | Provincial Geochemist | BC Geological Survey

2:05 PM – Mineralogical and Geochemical Vectors within Advanced Argillic-Altered Rocks of British Columbia

Farhad Bouzari | Research Associate | MDRU – Mineral Deposit Research Unit

2:20 PM – Automated Indicator-Mineral Analysis of Till: A Promising Exploration Tool for Porphyry Copper Mineralization
Alain Plouffe | Research Scientist | Geological Survey of Canada

2:35 PM – Using Soil Gas to Identify Bedrock Mineralization and Geological Faults Beneath Glacial Deposits
Ray Lett | Emeritus Scientist | BC Geological Survey

2:50 PM – Q&A and Closing Remarks

FRIDAY, JAN 22
