

DELEGATE TERMS AND CONDITIONS

PAYMENT

All prices are in Canadian dollars (\$ CAD) and are subject to 5% GST. Our secure server will process Mastercard and Visa. Charges on your credit card statement will appear as AME

CANCELLATIONS AND REFUNDS POLICIES

CANCELLATION OR REFUND REQUEST MADE BY ATTENDEE OR DELEGATE

Cancellation requests must be received in writing before the deadline at 5:00 PM PST Friday, December 9, 2022. Requests received after the deadline will not be refunded. Membership Fees and other add-ons (including ticketed events) are not refundable.

Attendees unable to attend the conference may transfer their registration until January 6, 2023, by request in writing.

Groups eligible for complimentary passes will be contacted with registration instructions. Those eligible for a complimentary pass that choose to purchase registration will not be eligible for a refund.

All delegate refunds are subject to an \$85.00 (+ GST) processing fee.

Refund requests may not be processed until after February 13, 2023. Refunds will only be issued to the individual or company who originally purchased registration. Refunds will not be granted due to non-attendance, including medical or health issues.

Any attempt to register multiple times with different names or email addresses is solely the responsibility of the attendee and will not be eligible for refunds.

All participants are responsible for their own travel, immigration, vaccination, and health and safety processes and any applicable restrictions. No refunds will be given at a participant's request based on any jurisdiction's policies or travel restrictions, including those of British Columbia, or a participant's inability to travel to AME Roundup for any reason.

An attendee, delegate, or exhibitor does not have an automatic right to a refund, in whole or in part, for any portion of the registration fee in the case of cancellation or reduction of the in-person portion of AME Roundup. AME may cancel or reduce the in-person portion of Roundup in its sole discretion, before or during AME Roundup, and may or may not offer attendees, delegates, or exhibitors cancellation rights or access to any portion of a refund of registration fees. See below for AME's commitment to participants.

CANCELLATION OR REFUND OFFER MADE BY AME

AME decisions will be guided by emergency orders, health orders, and recommendations made by the Canadian, British Columbia, and local governments. Decisions to modify the format and delivery of AME Roundup may be made at any time. AME will endeavour to inform attendees, Exhibitors, and the public of any changes as quickly as possible.

Exhibitors and delegates may be eligible for partial registration refund offers in the case of full or partial cancellation of the in-person portion of AME Roundup.

These Terms and Conditions were reviewed and updated on September 26, 2022.

DELEGATE TERMS AND CONDITIONS

In the case of a full or partial cancellation of the in-person portion of AME Roundup, all programming including ticketed events will transition to a virtual platform for AME Roundup or be postponed to a later date.

If AME cancels the in-person portion of AME Roundup, delegates or companies that have purchased registration for AME Roundup that includes in-person attendance may be refunded the in-person portion of their registration price. A ticketed event that is not cancelled but instead held in virtual format will not be refunded. A refund of in-person portions of registration fees may be pro-rated, or made available to some of the participants, delegates, or registrants and not others, at the sole discretion of AME and based on the circumstances and timing of the decision to cancel or reduce the in-person portion of AME Roundup.

All participants are responsible for their own travel, immigration, vaccination, health and safety processes and any applicable restrictions. AME will not reimburse or contribute to a participant's economic or other loss related to travel or cancelled travel for the purpose of AME Roundup.

AME's Commitment to Participants

AME is dedicated to its members in mineral exploration and development. Health and safety is one of AME's core values. Decisions to cancel the in-person portion of AME Roundup will be thoughtfully considered by the Board of Directors and the AME Roundup Organizing Committee, as will decisions on refunds of registration fees paid for in-person portions of Roundup.

In all cases, refunds may not be processed until after February 13, 2023.

PRIVACY POLICY
